

ACCOMMODATION FOR GOVERNMENT HIGH SCHOOL AT HALEEYANGADI

329. SRI DAMODAR MULKY (Mudabidri).—

Will the Minister of State for Primary and Secondary Education be pleased to state :—

(a) whether it has come to the notice of the Government that there is no adequate accommodation in the Government High School, Haleeyangadi, Mangalore Taluk ;

(b) if so, the action taken by the Government in this matter ?

SMT E. E. VAZ (Minister of State for Primary and Secondary Education) —

(a) Yes.

(b) The matter is under consideration.

SRI DAMODAR MULKY.—May I know how many sections are there and how many rooms are required to accommodate the classes ?

† SMT E. E. VAZ.—The Haleeyangadi, High School was taken over by the Government from the Taluk Development Board on 1st April 1971. It has got 8 sections for each class.

SRI DAMODAR MULKY.—Don't you think that the class rooms for each section are inadequate and that more rooms are necessary for the effective running of the High School ?

SMT. E. E. VAZ.—This is one of the many schools which have been taken over by the Government from the local bodies. There are hundreds of schools which do not have sufficient accommodation. But compared to other schools, this school is in a better position because there are 8 sections for each class. The Local bodies do not bother to provide sufficient accommodation or to provide other facilities. There is need for providing more accommodation to this High School. A provision is made in the Fifth Five Year Plan to have atleast 13,550 class rooms at the rate of Rs. 3 00 per room. A total provision of Rs. 455 lakhs has been made in the Plan. This will be one of the schools which would be considered for providing accommodation along with others.
